

Operation Benevolent Heart

Dear Board of Directors,

Rossmar & Graham

is unveiling a new program called
Operation Benevolent Heart.

At each month's Board meeting, we invite you to recommend one deserving family in your community that is truly in need of some assistance. At the end of each month, we will draw one name from all the nominees and pay up to \$300 for delinquent dues, fines, fees, or to correct a compliance issue, or to arrange for third party services on the homeowner's behalf to help bring their property into compliance.

We are excited about this new program and we hope you will be, too!

Thank you for working together with us....

Operation Benevolent Heart.

Getting to the Heart of Community
